

Correction/ Language and Culture

Q/1

1) The word 'culture' and 'civilization' are often used synonymously.

However, they have clearly defined meanings differentiating them. 'Civilization' means having better ways of living and sometimes making nature bend to fulfill their needs. It also includes organizing societies into politically well-defined groups working collectively for improved conditions of life **in matters of food, dress, communication**, and so on.

2) Acceptance (understanding, respect the beliefs and values) , **openness**, appreciation towards different cultures, **religious and life styles**.

3) Type of communication between cultures rooted in the beliefs, values and norms.

4) Is an oversimplified and often negative belief or image about a particular group of people.

Q/2
