

Student's Name (In English) :
 Student's Name (In Arabic):

First Term Exam in ESP

Task one (2pts): using your own words, provide a definition for ESP

.....

Task two (3pts): What do the following acronyms stand for?

- EMT
- GE
- EST
- EAP
- ELT
- EOP

Task three (5pts): classify the following statements in the correct columns

- A. This course will provide examples of, explain, and give extensive opportunities to practice specific medical and health-related vocabulary and grammar for use in relevant professional situations (for example, in hospitals, clinics, care organisations).
- B. This course is specifically designed to boost your English skills in a short period; terminology, idioms and typical business documents appropriate to the banking business will be studied in this course. There will also be an emphasis on listening and speaking skills essential for business transactions with foreign bank customers.
- C. In this course you will improve your knowledge of everyday English and learn the language you need for socialising. You will also develop your comprehension skills and build your vocabulary.
- D. This course is ideal for those who want to learn specific aviation English vocabulary and expressions used in the English aviation system.
- E. Our English courses are designed to help students make rapid progress in English, and focus on the four key language skills – reading, writing, listening and speaking – with lots of additional work on vocabulary, grammar and pronunciation.
