First Year Master Linguistics 2021/2022

Lecturer: Dr. Sadoune Farida

Sample correction with rating scale of the First Semester Exam on ESP

In an essay form discuss the following

ESP teaching is known to be learner-centered where learners' needs and goals are of supreme value, whereas General English Approach is language centered, and focuses on learning language from a broad perception covering all the language skills and the cultural aspects of the English speaking community. You may turn the page.

Introduction 4pts

Definitions of ESP ESP,EGP;teaching approach.

***Variation :definition, historical background**

Paragraph one 4pts

Main similarities between ESP and EGP at the level of focus and methodology.

Paragraph two 8pts

Main differences between ESP and EGP as far as the learners, the focus, the teaching methodology, the language, and assessment are concerned.

*variation

The student may mention the development of ESP in approach and the shift from register analysis to learning-centered approach.

Conclusion (4pts)

The diachronic change of ESP has proven its efficiency in language teaching and learning. After all the learner is at the core of every single step of the process of teaching and course design.
