First Year Master Degree June 2019

Name (in Arabic): ..... Model correction

Mark :.....

1) Explain the **characteristics** of research questions. (12 pts)

The student should state and explain the following items using his own words

- *Relevant*
- *Interesting*
- *Focused and specific*
- *Researchable*

2. Explain full **demarcation** of the research problem. (8pts)

*Demarcation is the process of setting boundaries and limits to the problem under investigation. If you do not know the boundaries of what you are working on, you will find you have no direction to your research; or, to put it another way, if you do not know exactly what you are doing and exactly why you are doing it, it will be impossible to know how to do it!*

*All in all, The process of demarcation involves determining the scope of the study, what variables are involved, how the research will be pursued, and what practical constraints are involved.*
